President's Message:

The 2010 Priest Lake races are now in the history book. Mother Nature did not provide us with ideal conditions, but all in all I think we did a good job with what we were handed.

A few participants were unhappy with the organization of the race this year, but 1: we managed to put on a race while surrounded by abysmal snow conditions, 2: no one, dog or musher alike, got hurt and, 3: the majority of participants had a chance to race and had a good time. These are the important things.

We have decided, however, to get together later this month to discuss ways to make the organization of future races smoother and easier for everyone involved. A race is not an easy thing to put on, but Priest Lake is the longest running sled dog race in the Northwest and I, for one, would like to keep it that way. So bring your ideas and join us at the Golden Corral on Wednesday, February 24 at 6 pm.

Jeanne

3. **Priest Lake Race**
 - a. **Permit** - Brendia has acquired the permit
 - b. **Train Grooming** - Brendia reported on the progress of repairs to the Cushman. It is expected we will have it ready in time to use for the race. Steve Duran's 6-wheeler is waiting on parts and may not be available. Brendia will contact Hill's Resort about getting grooming help from their groomer.
 - c. **Concessions** - VFW will have their concession booth again this year. They will have food available for breakfast and lunch both days.
 - d. **T-shirts** - The t-shirts have been printed and are in.

 - j. **Gates and Fencing** - We have plenty of fencing and do not need new material. Some is stored at the Booth's and some at the Heintzelman's. Jim will pick up more lath stakes. Bob D. volunteered to be in charge of gates.
 - k. **Outhouses** - Brendia will order
 - l. **Race Marshall** - Richard has volunteered to be Race Marshall
 - m. **Mid-Distance** - Bob Y. volunteered to do the turnaround for the mid-distance.

(Continued on page 3)

- n. **Contingency planning for poor snow** - The course will be evaluated the weekend before the race. A decision will be made by Monday, Feb. 1 whether the course is usable. We don't need to spend any money clearing the parking lot until we know whether the race is on. Brenda will contact the VFW and make sure they don't order any food until we are sure we are going to have the race.
- o. **DVD** - Jeanne has a friend who will do a DVD of the race. He has completed one for the motorcycle club that looks good. Submit all photos and videos to Jeanne after the race.

Respectfully submitted,

Bob Wilson, sec.
